

Learn on the Go with Transparent Language Mobile

Here is a quick and easy walk-through on how to access your free Transparent Language Mobile app included with your Transparent Language Online account. Just follow these simple instructions, and you can be learning on the go in no time!

Step 1

Log in to your Transparent Online account by entering your username and password and clicking the **“Log In”** button

Once you’re logged in, click on the **“Go Mobile”** button in the top right part of the screen.

Step 2

Review the instructions on how to use Transparent Language’s mobile application. Then click on the **“Get Byki CLE User Name”** button.

This will give you a code to plug into the mobile application, giving you free access as part of your Transparent Language Online account.

Step 3 for iPhone & iPad:

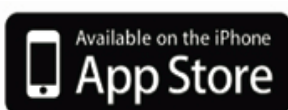

Go to the App Store, search for “Transparent Language”, and download the **Transparent Language** app.

Step 3 for Android

Go to the Google Play Store, search for “Transparent Language”, and download the **Transparent Language** app.

Once your app is downloaded and installed, open it and input your **Get Byki CLE User Name** that you got from the Go Mobile popup in Transparent Language Online.

System Requirements:
iOS 4.3 higher and Android OS 2.2 or higher
